Free Genealogy Search Engines

Search for ancestors and locate your family surnames in some of the best and largest free genealogy databases online. Start with the Genealogy Search Engines and Contents menu which is found on each page so you can't get lost. Or browse the free genealogy resources found throughout this page.

- **[BookMark This Genealogy Search Site!](#)** **[What's New?](#)**
[U.S. Genealogy Searches](#)

for each state will search vast amounts of genealogy data on the worldwide web just by entering a surname, revealing many types of records and genealogy data from various genealogy databases and other genealogical resources.

- **UNIQUE TO OUR SITE**

- [Obituary Search Portal](#)

- [Surname Search Portal](#)

One of our unique pages is [Genealogical Prison Records](#), where you just might find a black sheep ancestor in your family or you can search for [current prison inmates](#) & [current jail inmates](#). On the other side of the law, you may browse [Past Sheriffs of the US](#) or see [Police Officers of the Past](#).

- [US State Vital Records](#)

search pages have been completed. These will help you locate both current and historical vital records in the United States.

Google – “The Best Search Engine

- www.google.com
- Type in name in quotation marks, then add genealogy – see what comes up!
- This should bring up the name in any current message boards
- You can research almost anything: type in “Kansas State Census” for example
