

# **Genealogy Internet Resources**

**Dr. Leon D. Chapman**

# Church of the Latter Day Saints (LDS)

[www.familysearch.org](http://www.familysearch.org)

---

- Lessons, research helps
- Ancestral, Pedigree, IGI files
- Social Security Death Index
- Web sites with particular names
- Censuses: 1880 US, 1881 British, 1881 Canadian
- Library search
- Also: [pilot.familysearch.org](http://pilot.familysearch.org)

# **Rootsweb.com – oldest, largest & free**

---

- **US town/county database**
- **Genealogy letters**
- **Obituary Daily Times**
- **Search engines and databases**
- **Family trees (World Connect)**
- **Mailing lists, message boards**
- **Research templates**

# Google – the best search engine

---

- [www.google.com](http://www.google.com)
- Type in name in quotation marks, then add genealogy – see what comes up!
- This should bring up the name in any current message boards
- You can research almost anything: type in “Kansas State Census” for example

# **Ancestry.com – Most complete - \$**

---

- **This Week - over 5,598,128 people in family trees added; 19,654 family stories, 158,168 photos**
- **Free at Maricopa Regional Library if you use their computer and your library card**
- **Cost for a one year subscription \$300 – everything, \$200 US**
- **Census Images (largest collection – searchable & viewable)**
- **Old newspaper images**
- **Search a state and see what is searchable**
- **Military**
- **Birth, Marriage & Death Records**
- **US Immigration Collection**
- **Obituary Collection**
- **UK Census Collection**
- **Much more**

# **Genealogy.com – Very good resource**

---

- **Owned by the same company as Ancestry**
- **Complete access to site is \$199.99**
- **Includes genealogy library**
- **International and passenger records**
- **US census**
- **World Family Tree (FTM) – 190 volumes**
- **Family & Local Histories**
- **Data on CD-ROM**
- **Free Genealogy Classes**
- **Message boards**

## **[www.usgenweb.com](http://www.usgenweb.com) – great portal for all states information**

---

- **Scroll down to the state you are interested in and it will show you what is archived and searchable**
