

Genealogy SIG Meeting notes for 4 May 2006.

There were 17 SIG attendees at the 4 May Genealogy SIG meeting.

We discussed vital records with examples of retrieval of Census data from the Internet using Ancestry.com.

Demonstration of insertion of pictures into Legacy Family Tree program was presented. Sourcing of the Census data with the picture of the original Census image was demonstrated.

The next Genealogy SIG meeting will be in the fall October 5, 2006.

Suggestions topics for next fall included:

1. Filing / organization
2. Brick walls
3. Compiling a book
4. FTM
5. Legacy
6. PAF
7. Speakers from
 - a. Legacy Family Tree
 - b. West Valley Genealogy Society
8. GEDCOM files
9. Genealogy Resources on the Internet
10. Genealogy Reports
11. Vital Records
12. Joint meeting with Compose Yourself SIG
