Questions: contact education director at education@grandcomputers.org

WANTED – Older laptop computers (PCs or MACs) and tablets (iPads or Androids)!

Please help out by donating your older laptop or tablet to Jim Geffre. Jim repairs them, updates them, and donates them to schools. He would like the laptops to have Windows 7, Windows 8 or already be upgraded to Windows 10. Please include the power cord with the computer and the charger for a tablet. Jim wipes the hard drives or puts new ones in if you were to leave yours out. If needed, Jim adds memory to at least 4GB and adds Microsoft Office.

Please contact Jim by phone ([623-544-3394](tel:623-544-3394)) or by email geffre1949@yahoo.com to arrange for a drop-off at Jim's home. Email is preferred. Jim will email you back his physical address. You can then leave the computer outside his house. Please be sure to include the password to unlock your computer or tablet and your email address with the computer and Jim will email you a tax form for taking a deduction on your tax return. (You can deduct up to \$150.00 per laptop).

If you're on Facebook, you should come join us on our group page. You will find lots of useful information there. You can ask questions for which you will get answers. There's much that you can do on our group page. If you think outside the box, you may surprise us all with the uses you will find with our FB Group page.

Come join us. You'll be glad you did!

Technology Tip of the Week _____

Study shows Apple's AirPods Pro can actually double as cheap hearing aids.

By [Roman Loyola](#), Senior Editor, Macworld

"A recent scientific study found that the AirPods Pro can be just as effective as some prescription hearing aids in helping those with mild-to-moderate hearing loss."
