for even more information!

We're on Facebook!

If you're on Facebook, you should come join us on our group page. You will find lots of useful information there. You can ask questions for which you will get answers. There's much that you can do on our group page. If you think outside the box, you may surprise us all with the uses you will find with our FB Group page. Click [HERE](#) to view our page. Come join us. You'll be glad you did!

WE NEED MONITORS TO KEEP THE CLUB OPEN

If you are a monitor, please sign up for one day next week. We NEED you to keep the club open. The Club has been closed on several mornings and afternoons due to a lack of monitors. Just a reminder: the procedure for signing up is to log into grandcomputers.org, View and Schedule Monitor Sessions. Thanks to all of you who respond to this need.

COMPUTERS FOR SCHOOL KIDS

WANTED – Older laptop computers (PCs or MACs) and tablets (iPads or Androids)! Please help out by donating your older laptop or tablet to Jim Geffre. Jim repairs them, updates them, and donates them to schools. He would like the laptops to have Windows 7, Windows 8 or already be upgraded to Windows 10. Please include the power cord with the computer and the charger for a tablet. Jim wipes the hard drives or puts new ones in if you were to leave yours out. If needed, Jim adds memory to at least 4GB and adds Microsoft Office. Please contact Jim by phone ([623-544-3394](tel:623-544-3394)) or by email

geffre1949@yahoo.com to arrange for a drop-off at Jim's home. Email is preferred. Jim will email you back his physical address. You can then leave the computer outside his house. Please be sure to include the password to unlock your computer or tablet and your email address with the computer and Jim will email you a tax form for taking a deduction on your tax return. (You can deduct up to \$150.00 per laptop).

Technology Tip of the Week -----

19 Things You Didn't Know Your Smartphone Could Do

The 'Swiss Army knife' of technology offers amazing tools that can replace your GPS and more by Edward C. Baig AARP, December, 2021

Joke of the Week -----

Do you know the oldest computer was owned by Adam and Eve?

It was an apple, with very limited memory, one byte and everything crashed! 😊
