WANTED – Older laptop computers (PCs or MACs) and tablets (iPads or Androids)!

Please help out by donating your older laptop or tablet to Jim Geffre. Jim repairs them, updates them, and donates them to schools. He would like the laptops to have Windows 7, Windows 8 or already be upgraded to Windows 10. Please

include the power cord with the computer and the charger for a tablet. Jim wipes the hard drives or puts new ones in if you were to leave yours out.

Please contact Jim by phone ([623-544-3394](tel:623-544-3394)) or by email geffre1949@yahoo.com to arrange for a drop-off at Jim's home.
