Looking for a Volunteer Opportunity at the Club that is FUN?

Try out **Monitoring!** No minimum number of days - you set your own schedule!

“I love to monitor because I’ve met so many great people at the club. It’s fun getting to know more about the club and I’m always finding out something new we offer to our members.”

We provide **one-on-one training** and will be with you for your first session at the desk! We have a great training manual as well. You DON’T have to know how all of the equipment in the Club works - just be a friendly face and answer questions you can and if something stumps you we have a list of people to call.

Joke of the Week -----

A mom texts, "Hi! Son, what do IDK, LY and TTYL mean?" He texts back, "I don't know, love you and talk to you later." The mom replies, "It's OK, don't worry about it. I'll ask your sister. Love you too." –
