it's time to
**RENEW YOUR
MEMBERSHIP**

Membership Renewal

Now is as good a time as any to do it. Renew your membership. It costs only twenty dollars, that's 7 cents a day. Yes, there's a pandemic going on and many of us prefer to stay home. But with Zoom we're able to do most of the computer club activities from home, whether that be our home in Sun City Grand or anywhere else in the world where we may be living right now. You hop online, go to the Zoom link for your activity and in far less time than it took you to park

your car at Chaparral and walk over to the computer room, you're in the Zoom room where the activity takes place. So, come on! You can renew right now.

Go to www.grandcomputers.org and log in. If you've never logged in before and don't yet have a password, or if you forgot your password, contact Nancy Collins at nancy.collins.az@gmail.com or call Nancy at 623-398-5286 for help logging in. Once you're logged in, look for "renew your membership", click on it and pay with PayPal or go in as a guest and pay with your credit card. The website is secure, that's what the "s" in "https" tells you when you look up at the web address on any www.grandcomputers.org web page.

Renew and get back into the activities, whether that be Tech Help where you've had your computer, tablet or phone problems solved or any of the many other activities going on. See the following activities for this week.

We're on Facebook! If you're on Facebook, you should come join us on our group page. You will find lots of useful information there. You can ask questions for which you will get answers. There's much that you can do on our group page. If you think outside the box, you may surprise us all with the uses you will find with our FB Group page. Here is the URL (website address):
<https://www.facebook.com/groups/GrandComputersClub>

Come join us. You'll be glad you did!
