

ORGANIZER: HOW TO SEARCH

11/16/20

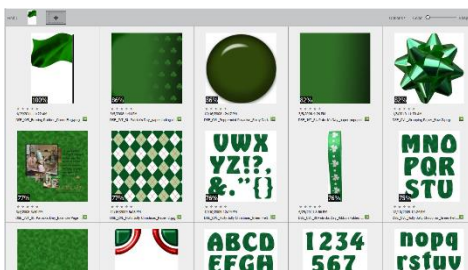

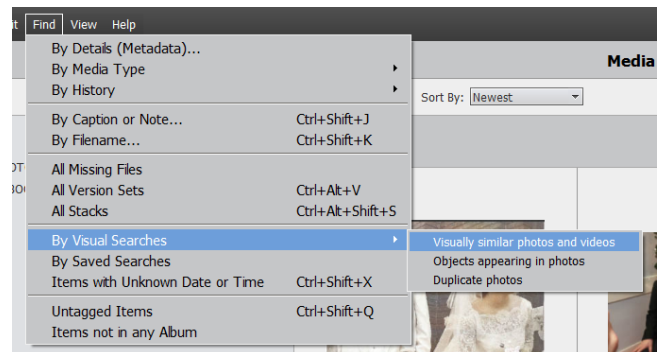

Locating items in Organizer using Search Function

1. From the Menu Bar click SEARCH
2. Type in your search, example Dog, > Enter
3. It will look through all things in your Organizer.
4. To be able to zoom in, click the back arrow next to Grid. The zoom option will be available to you in lower right.
5. Select any that you want to work with in Editor and Click Editor on lower bar.

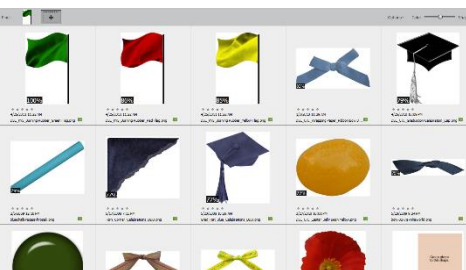

Locating items in Organizer using FIND > BY VISUAL SEARCHES

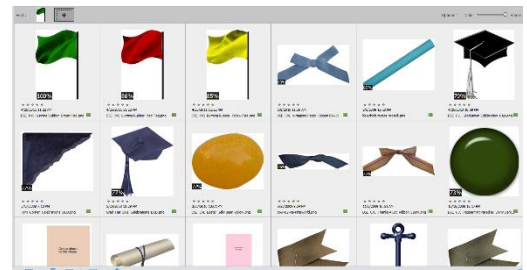

1. Be in Media
2. Scroll through your images to find the one you want to match for either color or shape.
3. I selected a green flag.
4. From Menu Bar click FIND
5. Select BY VISUAL SEARCHES
6. Select VISUALLY SIMILAR PHOTOS AND VIDEOS
7. You have a slider on the upper right of the screen that you can move to match either color or shape.
8. Based on where the slider is set you will get different results. Notice it tells me the % of similarity.
